DIAMOND HEADS WIN

Before Saturday the Diamond Head Athletic Club was known to exist, but little was known of its strength. To say this club is looked upon as one that can be figured on as a strong competitor in all athletic sports.

By defeating the field in the athletic games held at the Boys' Field on Saturday, the Diamond Heads have established a precedent.

There were four teams entered in the meet—Kamehameha, Y. M. C. A., Boys' Clubs and Diamond Head A. C. The Kams were the favorites. They have won most of the field events recently held. The Diamond Heads were known to have a strong team but it was generally thought that they were not well organized to win. Up to the last event the Kams fought hard but were finally defeated by the Diamond Heads, 63 points to 58.

The Y. M. C. A., through the able management of Mr. Haley, deserves much credit for the success of this meet. The track at the Boys' Field was in the best of shape. There was a large crowd present who enjoyed the sport and the way in which it was conducted.

Captain Sam Johnson as clerk of the course ran things off with a snap that is usually lacking in such events. Records were smashed and new track heroes brought into the limelight.

McCluskey proved the star of the day. That this young athlete is fleet of foot and strong of muscle there is no doubt. He proved Saturday that he is perhaps the best all around athlete the Hawaiian Islands has ever turned out. He proved a whole team in himself and won many points for his school. In all, he took four firsts and two seconds, a record of which he might well feel proud. His performance read as follows:

Second heat, 100 yard dash, 1st; time, 11 seconds.

Final heat, 100 yard dash, 2d; 440 yard run, first; time, 55.35 seconds.

Broad jump, 1st; 21 feet 4 inches. High jump, 1st; 5 feet 2 inches.

In the 220 yards McCluskey came near winning, but failed to get the inside course.

Sylvia of the Kams lowered the record in the 120 yard hurdle race, covering the distance in 15.13 seconds. En Sue took the first heat of this event but was too tired when it came to the final effort.

Ayres lowered the mile walk record and placed a figure that will stand for some time to come. This fact furnished much amusement for the crowd who watched with interest. Young boys who ran around the inside of the track to watch the race had a hard time to keep up with Ayres and his hula movement. Ayres won this race handsomely and placed a mark of 8:55.15.

Frank Kanea hurled the hammer 130 feet. This is 5.12 inches better than has ever been done in these islands before.

Oliver Jones added two feet to the shot put record. This 46-1 is a fair put and will not be broken for some time.

En Sue and Akana again demonstrated their sprinting abilities and added points to the Diamond Head score. The summary of the events is as follows:

H. S. WIN CHAMPIONSHIP

For the second season in succession the fair athletes wearing the black and gold and representing the Honolulu High School, succeeded in annexing the basketball championship and incidentally athletic honors for their school. There is no doubt but what the better team won. They have played fast, consistent ball and deserve all that they got.

The Normals entered a strong team this year and instead of ending at last place as they did in 1934 they came out second best and came within two points of the championship.

Honors for first place came down to the very last game, so of course interest was centered on the game that was played on the Y. M. C. A. grounds Saturday.

The usual crowd of spectators was on hand to witness the play and cheer for their favorites. The gentlemen spectators were not as numerous as before, probably being at the field sports.

The game itself was the best of the season and developed into a real championship affair. Each team played so hard to win that it seemed too bad that they both could not land in first place.

Miss Ellen Dwight was directly responsible for the H. S. victory. This little athlete could hold her own with any boy in this or any other country. She is certainly a wonder at goal throwing. She is always on hand when a goal is needed and as cool as an iceberg at all stages.

With the score 13 to 12, Miss Ellen threw two goals in rapid succession amid yells of approval from the sidelines. At this critical stage of the game when the Normals were pressing hard, this same little athlete had a chance to demonstrate her skill; she was given a chance to throw a goal from a foul. Instead of becoming rattled, the little lady carefully measured the distance with her eye and, aided by a steady hand, deposited the ball squarely in the goal.

The game was well played throughout, the Normals having a slight advantage in the first half and the H. S. doing the better work in the second.

It was a game well worth seeing and proved so fast that the ordinary spectators could hardly follow the ball.

The play was remarkably clean throughout and there were not as many fouls committed as are seen in most of the games. The teams were well matched, as the score will testify.

At the end of the first half the game stood: Normal, 7; H. S., 5. Second half: H. S., 15; Normals, 12.

The Punahou and Kams did not play their game as was expected. Being out of the running, it was not deemed necessary for these teams to appear.

The teams finished in the following order: High School, Normals, Kams and Punahou.

GOOD EYES TAKE GAME

The Twilights put up a hard fight against the Good Eyes yesterday, but crops lost them the game.

Twilights opened up the game with three rounders in the very first inning. This gave them a good lead that was not overcome by the Good Eyes until the sixth.

Evers and Bushnell did the slant work for the victors and although they struck out, 13 men they were rounded for 11 hits. Nacimento, the fielder of the Twilights met the ball for three safe hits out of five times.

At the end of the sixth it looked like a sure victory for the Twilights, but in the sixth and seventh innings the Good Eyes came up strong and latted out three runs in the sixth and three in the seventh. The best the Twilights could do in the eighth was two runs, thereby evening up matters. The Good Eyes came to the bat in the ninth and scored the winning run.

A gamelized crowd witnessed the game and they were held to the last by the interesting playing.

HONOKAA RACES

Sporting Editor Evening Bulletin:—In your issue of Nov. 21st, I noticed a paragraph headed "Hilo Races" (it should have been Honokaa Races), in which you gave the names of the elected officers. I beg to state that this meeting has been arranged by the residents of the Hamakua district and is quite distinct from the Hilo races and the Hawaii Jockey Club. I write this simply so that owners may know the difference, and so that they can send their entries to the secretary at A. B. Lindsay's store, Honokaa, on or before Dec. 24th, at 7:30 p. m.

By inserting the above you will greatly oblige the committee.

Yours faithfully,

WM. HENRY JONES.

Ookala, Hawaii, Nov. 23.

Franklin—"Do they have dumb waiters at that cafe?" Penn—"Yes; one at nearly every table."

It is only by saving the ends that you can make both ends meet.
